

CREATE YOUR OWN SALES TEAM IN BANGALORE

from wow.blastistic.com

support@blastistic.com

BLASTISTIC

Agenda

To create a
**Sales Team of minimum 5 people
in 2 month**
Who will do sales and represent your
company.

How blastistic can help?

- We believe a tactful online strategy which uses modern technologies can work wonder.
- We already have reach at Multiple Countries , especially India, Netherlands and USA. **3 Lakh reach** approximately.
- Target marketing and Psychology : We try to understand the interest of particular market and then use social media platforms to drive traffic to a **particular product/service page**.

How blastistic can help?

- Lead Generation : We have contact and lead forms to generate leads after targeting the market.
- Retention and constant engagement helps us to generate leads and take them to close .
- CRM : We know follow up means sales, hence we strictly use CRM to follow up clients, even after 5 months.

What we are offering you ?

1. A **progressive growth**.
2. Strategies and execution for stabilizing and decreasing painful **SALES OPERATIONS**.
3. Marketing , Sales and Brand Awareness.
4. **Lead Generation** : We will be responsible to generate good leads to achieve our projected targets.
5. **Grow Together** : We are not only giving you growth, we will also ask more when you see result. More investment in a performing team means **more Return**.

Our Proposition

1. To find office for 5-7 people, in bangalore
2. Hiring 5-8 new potential candidates.
3. Getting them trained by IT Sales Experts.
4. Make them eligible for Sales of IT projects.
5. Finding the Team Leader who can guide new candidates.
6. Delivery of team completely in 2 months

Commercials

One Time Fee

Commitment Fee for this new Process : 2,00,000/- INR

Recurring Cost

Leads from blastistic : 30,000/- INR

Office : 10,000/- – 15,000/- INR

Operational Cost : 10,000/- INR

Target of Sales

Target of Sales Team minimum per month from 3rd month:
1,00,000/- INR

The Promise

1. By hook or crook , we will achieve the numbers.
2. Long term relationship is our agenda , which comes from first few successful transactions from both end.
3. A long lasting impact , which will automate sales at a longer run.
4. Reducing the long term cost involved – automating the sales will take time, but once achieved, we can relax for a longer time.

THANKS

Happy Progressive Growth to Both
